Dear Fort Bend County Employees,

On behalf of Fort Bend County Animal Services, I am personally reaching out to our colleagues across the County to ask if you will help our shelter pets during this difficult time by becoming an emergency foster for us.

While our intake of pets remains steady, our adoption, rescue and foster programs have slowed and become essentially nonexistent, and we need help to be able to give every pet a chance – especially those new pets who find themselves homeless during this pandemic.

To make it easier for our potential pet homes, we are offering Dog Dash and KUber (Kitty Uber) where we will deliver the pet you are interested to you if you live in unincorporated Fort Bend County. If you would like to come to the shelter to pick up a pet, we can also offer you curbside delivery upon scheduled appointment! This program is not limited to just county employees either, if you have friends or family members that may be interested in the program, we would love for you to share our information with them.

Our goal is to make sure that every pet in our County, who needs a safe haven, whether in the shelter or at home with you, will have one right now. We hope that we can count on our colleagues and community in Fort Bend County to help us save them.

As many of you may know, I personally took in two beautiful rescue dogs from the Fort Bend Animal Shelter a few years ago, and they have become members of my family.

For more information please contact us at animalservices_fostering@fortbendcountytexas.gov. You can also see all of our available pets at www.fortbendcountypets.com.

Thank you and be safe.

Sincerely,

KP George
Fort Bend County Judge
